

Video Title: Global Opportunities

Video Description: Merck offers global assignments for employees interested in working outside of the United States to benefit the company's dedication to global opportunities and employee career growth.

Simon Kelner, Recruiting and Staffing Leader

Merck has locations pretty much all over the world. We have outside of the US we have 3 core regions, Asia Pacific and Japan, it's Latin America and Europe Middle East and Africa.

Simon

:16

I have worked in the UK, I've worked in Israel in the US and in multiple roles but we do move people around its based upon business needs.

Howard Vincent Wilton, Business Process Architect

:23

I started my international assignment in the middle of 2002 which is when I moved from Australia to MND in Singapore.

Simon

:30

Merck today has more than 50% of its employees outside the US so it certainly has to operate in a global way.

Howard

:38

You get to see a lot of different factories a lot of different cultures a lot of different people challenges are very different they have to be managed differently so its keeps it very interesting.

Simon

:48

We talk about excellence we talk about scientific excellence, we talk about teamwork that exists all over the world there are slight variations in different countries but I think as you go to each of our offices all over the world you do feel something that is definitely similar. 1:08
